

PHA Championship Series Awards

1 Introduction

In addition to the class awards at each event, there are several year-end awards presented to drivers who participate in the PHA Championship Series. For each award, points are calculated at each event as described below, and the total for all the events determines the series winners.

2 Eligibility

2.1 General Note on Eligibility

A driver is considered to have competed in an event if he or she crosses the start line. However, to be assigned points for an event, the driver must also have at least one timed run. It is possible for a driver to be counted as having competed in an event but also for that driver to earn zero points if their only run or runs result in a DNF (Did Not Finish).

In other words, if a driver breaks or crashes after crossing the start line, and does not complete at least one timed run, they will still be counted as having competed in the event but will not accumulate any points for that event.

2.2 Lloyd Geib Memorial, Overall and Multi Miglia (Mileage) Awards

To be eligible for the Lloyd Geib Memorial, Overall Points or Multi Miglia (Mileage) Year End Awards, a driver must compete in more than half of the PHA Championship Series events.

For example, if there are 7 events in the series, a driver must compete in 4 or more events to be trophy eligible. For an 8-event or 9-event series, 5 or more events are needed, etc.

Multiple Cars at Same Event: If a driver pays two entry fees and runs two cars at the same event, the car scoring the highest points at that event will count towards the year-end total.

2.3 Year End Class Awards

To be eligible for a Year End Class Award, a driver must compete in more than half of the PHA series events **in the same class**.

Using an 8-event series as an example, if a driver competes in all 8 events, but runs 4 events in one class and 4 in another, he/she would not be eligible for a trophy in either class. If the series had only 7 events, the driver would be eligible for a trophy in both classes.

Note on Multiple Cars at Same Event: If a driver pays two entry fees and runs two cars at the same event, both cars will be eligible for year end points if they are not both in the same class.

If both cars are in the same class, only one car is eligible. In this case, the driver should make his/her preference of the car to use for points calculations known to the Chief of Timing and Scoring.

3 Awards

3.1 Lloyd Geib Memorial Award

The Lloyd Geib Memorial Award honors drivers who consistently win their class and is presented to the first-place winner only. Lloyd Geib Points are awarded at each event based on position in class and on how many participants are in the class. 10 Points are awarded for each driver that you beat in the class.

Examples

- 1 Entrant: 1st place is awarded 10 points
- 2 Entrants: 1st place is awarded 20 points; 2nd place is awarded 10 points
- 4 Entrants: 1st place is awarded 40 points; 2nd place is awarded 30 points; 3rd place is awarded 20 points; 4th place is awarded 10 points

3.2 Overall Points Award

The Overall Points Award honors drivers based on overall finishing position at each event and is presented to the first-place winner only. Overall Points are awarded at each event based on overall position in Raw Results:

- 1 Position = 100 Points
- 2 Position = 99 Points
- 3 Position = 98 Points
- ...
- Position 100 and higher = 1 Point

3.3 Multi Miglia (Mileage) Award

The Multi Miglia Award honors the driver who has driven the most miles in competition and is presented to the first-place winner only. Mileage is calculated by multiplying the number of runs made at an event by the length (in miles) of the course. The current PHA Series course lengths are as follows:

- Duryea: 2.25 miles
- Giants Despair: 1 mile
- Pagoda: 1.3 miles
- Pocono East Course, Option 4: 1 mile
- Pocono North Course, Option 1: 1.3 miles
- Polish Mountain: 1.2 miles
- Summit Point, Jefferson Circuit, Long Course: 1.7 miles
- Summit Point, Shenandoah Circuit: 1.8 miles
- Weatherly: 1 mile

3.4 Year End Class Awards

Year End Class Awards are presented to all trophy eligible drivers. Class points are awarded at each event and calculated as follows:

- First Place = 10 Points
- Second Place = 8 Points
- Third Place = 7 Points
- Fourth Place = 6 Points
- Fifth Place = 5 Points
- Sixth Place = 4 Points
- Seventh Place = 3 Points
- Eighth Place = 2 Points
- Ninth Place and higher = 1 Point
